TERMS AND CONDITIONS OF SALE

This list cancels all previous quotations. All agreements and contracts are made subject to crop losses through unavoidable causes.

TERMS: Cash with order, or all orders must be accompanied by one-fourth of the amount of order and the balance will be shipped C. O. D. unless satisfactory arrangements are made before shipping date. Shipments travel at purchaser's risk.

NO ORDERS WILL BE ACCEPTED ON B & B MATERIAL FOR SHIPMENT BY COMMON CARRIER CRATED OR BOXED.

CLAIMS: All sales are made with the understanding that we shall not be liable in event of crop loss, or of damage from other causes over which we have no control. We will gladly correct any errors, but we cannot entertain any claims that are not made within five days after receipt of the stock or are made after the stock has once been accepted. Claims should be made promptly in writing on receipt of stock. Plants become your property upon delivery to transportation company and we cannot be responsible for loss, damage, or delay in transit. All orders booked are based on the distinct understanding that the purchaser agrees to the condition of sales as stated above.

GARANTEE OF GENUINENESS: We will send out healthy, thrifty stock, true to name. If any nursery stock proves untrue to description or variety name under which it is sold, we hold ourselves in readiness on proper proof, to replace free of charge such stock that may prove untrue to description or name, or refund the original amount paid. We shall in no case be liable for any sum greater than the amount originally received for said stock.

INSPECTION. Certificate of inspection will be furnished with every shipment.

BOXES AND BALES will be charged at actual cost.

SPECIAL NOTICE. Correspondents are requested to use their printed business letterheads. We do not quote price to retail buyers. We use every effort to limit the distribution of trade prices to those whom we know to be entitled to receive them.

LOCATION. We are located on U. S. Route 113, 4½ miles south of Milford, Delaware. We would be pleased to have you call and look over our nursery which covers about 150 acres.

TELEPHONES. Milford 4445. day or night.

E. L. Lynch or Paul E. Lynch

DON'T TAKE A CHANCE, but contact us before coming or sending for a load, unless your order has been previously received and acknowledged for a certain date.

All of our B&B trees are sewed, which are far superior to tying or nailing.

Plan to visit our nursery and look over our stock.

LINING OUT STOCK

Our stock of liners have been produced with the aid of irrigation and we feel that they are very good. EXPLANATION OF GRADES: We are listing our liners in grades by the number of years they have been growing under the lath screens; for example, 1 yr. means 1 year in outside beds. 2 yr. would be 2 years outside, etc.
